ABOUT THE EVENT

Real Festival is a major event for Western Sydney and beyond, bringing together Australia's best and internationally celebrated performers, artists, musicians and creative minds in a spectacular fusion of fun at the Nepean River.

On the first weekend of November each year Real Festival's visual, creative, interactive and immersive experiences completely transform the riverbank taking fun to the next level and creating unforgettable moments for all ages.

There's spellbinding aerial shows, breathtaking art installations and pop-up performances at every corner; and hands-on activities and workshops invite you to be crafty, unleash your energy and embrace your creative side day and night.

Sydney's best food trucks dish up all sorts of deliciousness both day and night; and when you're ready to unwind there's markets to stroll through or you can grab a drink in the riverside bar and dance the night away under the stars.
